Re: Request for Proposals for On-Call Engineering and Professional Services
        RFP# DPW-20180730 – Utilities – Engineering and Professional Services

Dear Sir/Madam:

Your firm is invited to submit a proposal to provide on-call engineering and professional services for the Utilities-Flood Control-Watershed Protection Section of the County of San Mateo Department of Public Works (County).

The County is looking for firms with experience in the following categories:

1) Flood Control and Drainage System Study and Design
2) Water Supply and Distribution System Study and Design
3) Sanitary Sewer System Study and Design
4) Streetlight System Study and Design
5) Environmental Protection and Stormwater Management Study and Design
6) Environmental Permitting and Compliance
7) Biological Monitoring
8) Closed Landfill Management and Monitoring
9) Construction Management and Inspection (CM)

Organizations or individuals interested in responding to this solicitation must register online with the County of San Mateo at:

https://www.publicpurchase.com/gems/register/vendor/register

After registration, this RFP can be found on the Public Purchase website at: https://www.publicpurchase.com/; the Bid Number: **RFP #DPW-20180730 – Utilities- Engineering and Professional Services**. Firms must submit the Technical Proposal and the Price Proposal in separate envelopes. For more details regarding the proposal submission requirements, please refer to the request for proposal document.

Related questions should be directed to the Public Purchase Website. If your firm is interested and qualified to perform the requested services, please submit one (1) original, two (2) copies, and one (1) PDF copy on the website, by no later than 5:00 PM on August 27, 2018.
