Hi Jessie,

This is the December report right? I renamed it as such in my files.

Thanks!

Hi Kristen,

A count and brief synopsis of any public inquiries would be great. Thank you :)

Hi Camille,

I considered including a section that summarized public inquiries; however, decided against it in the end since we were tracking them separately in the Inquiry Tracking Table. I also didn't know if you would be making these Monthly Progress Reports public and wanted to have all the inquiries listed in there. Either way, its easy enough for me to include them. I will make that revision and send you the revised copy.

Also, I didn't see Steve copied on your last email so I'm including him here. Steve, please let us know if you have any questions or comments.

Thanks,
Kristen

Hi Kristen,

Looks fine to me. Perhaps add a section that describes any public inquiries. I'm also copying Steve to see if he has any comments.

Thanks

Hello Camille,

Please find attached the Monthly Progress Report and the Environmental Compliance Matrix for the Highland Estates Project. I've also uploaded these to the project SharePoint site. Please let me know if you have any questions regarding the attached documents. Since it is the first Monthly Progress Report, I want to make sure the format works for you and provides you with all the information you need.

Thank you,
Kristen
