Hi Noel,

As you can see from the sheet attached, the funds provided in Sept 2019 for Mitigation Monitoring for Lots 9-11 (and later Lots 5-8) have now been exhausted.

Please provide the County a check for \$5,000 for mitigation monitoring at this time and prior to issuance of the building permit for Lot 11. As the project is starting back up, a check for \$10,000 is recommended.

Please note that timely correction of problems identified by SWCA will reduce the overall hours necessary for monitoring.

Thanks
