Hi Jack and Rich,

The County received the draft EIR Addendum from SWCA last week. The document is under review by staff and County Counsel, with comments on the draft to be provided to SWCA by the end of the week. Let me check with Steve regarding sharing a draft with you prior to release of the document to the public.

Thanks

Hello Camille,

Just FYI, I informed Jack of your comments a few weeks ago as to timing. This is a follow-up to that update on 2/10/21. In that message, you thought the draft addendum would be to the County last week.

If there is a document which can be reviewed, we would appreciate seeing it.

Thanks,  
Rich

Camille,

What is the status on the CEQA study for the amended grading/ dirt hauling on the last four lots. At the time that I agreed to fund the CEQA study, you told me that we should have the study results in about 5 weeks.

Thanks,

Jack
