Subject: Request for more time to review Highland Estates Subdivision Project Addendum to the Highland Estates Final Environmental Impact Report

CAUTION: This email originated from outside of San Mateo County. Unless you recognize the sender's email address and know the content is safe, do not click links, open attachments or reply.

Dear Ms. Leung,

My name is Jennifer Gurr. I'm a resident of San Mateo Highlands at address 1752 Yorktown Rd. Regarding San Mateo County's notification letter dated May 3 with subject "Consideration of a proposed Minor Modification to an approved Resource Management (RM) Permit (PLN2006-00357) for the development of Lots 5, 6, 7, and 8 (BLD2016-00161 through BLD2016-00164), in the San Mateo Highlands Area", because of the significant impact this construction project will have to the hillside open space along Ticonderoga Drive, which includes a possible increased risk of a landslide in the area, I request that the County give the Highlands and neighboring communities an additional 45 days beyond May 17 to review and respond to the lengthy 289-page project addendum document "Highland Estates Subdivision Project Addendum to the Highland Estates Final Environmental Impact Report SCH No. 2007052068" referenced in the 'minor modification' notification letter.

Thank you

Jennifer Gurr
