Subject: Please schedule Drainage Inspection

Hi Bob,

Melody, County Drainage Inspector, was only called out last year for two retaining wall drainage systems at two of the three properties, but she hasn't yet inspected the storm drain systems. Please email Melody to schedule a time to inspect those systems.

She needs to do this for her review of the Draft Operation and Maintenance Agreements for the 3 lots which takes at least a month to process and recordation of the Agreement is required for Final. So as to not hold up the Final, please schedule the inspection soon with her.

Thanks!
