Subject: RE: Request to prepare supplemental EIR and hold public hearing

Hi Andrew,

The County has considered the requests from interested members of the public for a 15-day extension of the scheduled June 17, 2021 close of the public review period for the Highland Estates EIR Addendum. The request has been granted to allow the public more time to review the EIR Addendum and appendices, with the County's decision on the project modification request to be made after July 2, 2021.

Thanks

Dear Ms. Leung,

Hey, I live in the San Mateo Highlands at 1547 Brandywine Road.

I'm writing about San Mateo County's notification letter dated May 3 with subject "Consideration of a proposed Minor Modification to an approved Resource Management (RM) Permit (PLN2006-00357) for the development of Lots 5, 6, 7, and 8 (BLD2016-00161 through BLD2016-00164) in the San Mateo Highlands Area".

I request that the County prepare a supplemental environmental impact report document, and have a public community hearing about the project. There are significant changes to the originally proposed earth grading activity, and I'm concerned about the risk of landslides.

Cheers,
Andrew Kunz
