If you wish to retain the original of an item, a legible copy must be left with the Design Review Officer. The original or a computer-generated copy of a photograph must be submitted. Five (5) copies of written material should be provided for the Design Review Committee, staff, and interested parties.

#### **DECISIONS AND APPEALS PROCESS:**

The Coastside Design Review Committee will make a decision when design review is the only application being considered, or make a recommendation to a different decision maker when additional planning applications are associated with the project (e.g., use permit, grading permit, etc.). Decision rulings for a project are appealable to the Planning Commission. Appeals must be filed no later than ten (10) business days following the decision at the San Mateo County Planning Counter (address listed above).
